¡Hola familias!

Welcome to our special Easter edition of the Spanish newsletter.

Spanish Cultural Spotlight: La Semana Santa

Unlike the focus on chocolate eggs in the UK, Easter in Spain is deeply traditional and celebrated with massive street processions.

Pasos: Magnificent, heavy floats carrying statues of Jesus or the Virgin Mary.

Costaleros: The strong people who carry these floats on their shoulders underneath, making them look like they are gliding.

Nazarenos: People who walk in the procession wearing traditional robes.

Torrijas: A delicious traditional sweet treat similar to French toast, eaten during this time.

Vocabulary

- ¡Felices Pascuas! – Happy Easter!
- La Primavera – Spring
- El Huevo de Pascua – Easter Egg
- La Procesión – The Procession

Activities & Fun

Children are creating their own Tarjetas de Pascua (Easter cards) with Spanish greetings for their families and participating in Bingo de Pascua to practice new vocabulary.

¡Que tengáis unas fantásticas vacaciones de Semana Santa! (Have a fantastic Easter break!)
