Dear Chris

Thank you very much for the lovely card that you presented to me on Tuesday and the best wishes from everyone at the School.

I have always valued the relationship with the school, and it has been a joy to visit to lead assemblies and to welcome the children into St Barnabas for visits and many years ago now, the coach trips.

Thank you, too, for your personal support over the years.

May I wish you and the school all the best for the future.

With kind regards

Revd Stuart Leck
